

Kickin' It is created to educate, support, empower and inspire children's creativity, self-expression, passion and dreams so they can grow into their own unique selves by positively impacting them to overcome negative obstacles so they can freely develop into respectful, tolerant, independent, healthy functioning members of society who are accountable for their words and actions.

BULLYING...We're Kickin' It is a 501c3 national nonprofit organization, founded in 2010; created to:

- reduce bullying behavior
- improve the overall school and social climate
- provide youth with strategies to build and balance self-confidence and self esteem
- teach children to take responsibility of their words/actions and how it impact others
- provide children the tools to positively intervene to help another

Kickin' Its Reach & Demographics:

- Over 450,000 Students Nationally are a part of the Kickin' It Commitment Pledge
- Over 1.5 million MMA fans reached during Cross Country Tour with Strikeforce and Showtime
- Over 100,000 Martial Artists throughout the country, as the Official Action Magazine Charity Partner
